

BREAKING NEWS

preaching with the Bible among the headlines

Jubilee

NATIONAL CONFERENCE

from Tuesday May 4th to Thursday May 6th 2010
(lunchtime to lunchtime)
at The Hayes Conference Centre, Swanwick, Derbys.

credit crunch, swine 'flu, Afghanistan, Lockerbie bomber - what next, general election?

- Is it important to address the news of the day from the pulpit? Isn't the Bible enough?
- Do we set the Gospel over against the news; or find the Gospel in the news?
- How do we cope with so many sources of news?

Above all, **how in preaching do we connect the news of the day with the Good News?**

This will be a special conference. It's an occasion to celebrate and rededicate our preaching. It may also be on the eve of a general election - which would make the subject matter especially appropriate!
