Tel: 01778 422258 E-mail: colinmartin@madasafish.com

The District Resourcing Mission Group administers the District Advance Fund and considers all requests from circuits and churches for District and/or Connexional grant funding whether for property schemes or mission and ministry projects.

District Advance Fund criteria, the process for making an application and our monitoring and evaluation process is outlined in the attached leaflet.

The Group supports applications from individuals wishing to enrol on the Mission Shaped Ministry course. The cost of two places per circuit will be borne by the District Advance Fund. In addition the fund will consider applications from individuals for other mission shaped courses. In every instance applications must be signed by the Superintendent as evidence that the Circuit consider enrolment is appropriate.

Application forms and Guidance Notes for the District Advance Fund can be downloaded from the District website www.lgmethodistdistrict.org.uk or by e-mail from the District Grants Officer or the District Office.

Colin Martin
